MESSAGE FROM THE CLAN PRESIDENT

David R. MacLennan

HEAR YE! HEAR YE! HEAR YR!

Clan MacLennan Association Central Ontario Branch will celebrate St. Andrews Day with a CEILIDH on Saturday Nov. 28, 1998.

The enclosed brochure is your invitation to join in the fun, entertainment and participation in the CEILIDH (optional). You will be entertained and instructed in Scottish dancing. Our Bagpiper will pipe in the Haggis and our master of ceremonies will address the Haggis. We will have door prizes and a special raffle for one of Elizabeth Prebble's famous bricks, covered with Scottish motif needlework.

We hope you can join us and send in your registration no later than Nov. 15th. We need to know in advance if you are coming.

This CEILIDH is our first rehearsal for the CEILIDH which will be held in Fergus when our Clan Chief Ruairidh Donald

George MacLennan of MacLennan will travel from Scotland in August 2000 to attend The Fergus Scottish Festival and Highland Games. Clan MacLennan will be one of two featured clans and we are extremely pleased that Chief Ruairidh will represent us at Fergus.

SO!! Put on your kilt, tartan skirt, sash, necktie, scarf, trews, or any other piece of tartan and COME ON! Show your "stuff" (optional of course), and have a FUN evening. This CEILIDH is not restricted to MacLennans. Bring your friends who enjoy an evening of Scottish Celebration. Paid-up membership in the Clan association is not required to attend the CEILIDH. The membership application in the brochure is merely for your convenience, should you wish to join the COB.

Editors Notes

Well, I guess that is the end of a long and, in general, beautiful summer. It has been another good year for the COB; a dozen new members joined at the various Games. This confirms last year's trend that increased visibility of the Clan tent brings in more members. We are trying to dispel the image of a cosy and, may I add, aging Executive who never strayed from our home area! There are many other events we should cover and, given limitations of times and distances, we can try to attend if it means that the COB will benefit. Please remember that all this is voluntary, so also remember that Ontario is a pretty large area to try and cover.

Although we are expanding, the latest letter from Scotland shows declining membership, resignations due to age/illness and a sense that direction has been lost. I recognise that we "do our own thing" in Canada, but we must also be aware that Prof. Hugh (Vancouver) and Clarence (Sydney N.S.) do their best to carry on with precious little local support. The first issue of the WFCMLA publication TARGE, put out in Australia, did not even mention ANY branches in Canada, seeming to think we are vaguely part of the U.S. It is up to all of us in the COB to ensure that we are a vital, active branch by making Chief Ruairidh's visit in 2000 a truly memorable occasion.

This issue of the Newsletter is mainly concerned with the Ceilidh to be held in Burlington on Saturday, Nov. 28, 1998. This is a trial run for a Ceilidh we hope to put on in Fergus for Chief Ruairidh in 2000 so PLEASE come and join us. The enclosure with this letter gives the main details but I will run over some of the more important, or more subtle, details that might get missed. First, please note that the last date for tickets has been extended to 15 Nov. We need to have the numbers, AND THE MONEY, by that date to finalise seating and catering arrangements. The dinner will be traditional Scot's fare (including haggis for those who love it but enough for those who would rather not meet one on a dark night). To keep down costs, all the food will be home cooked (not home made, as some recipes are guarded secrets

best unpublished).

AN IMPORTANT NOTE: Although the COB is putting on the dinner and Ceilidh, non members are welcome, so bring friends if you can.

Other items for your attention:

*A location map is attached.

*A list of accommodation in the area is included for those who may wish to stay overnight.

*The Knox Church car parking is limited, but there are two large areas nearby, as shown on the map. There is an elevator in the church for handicapped access; entry is from the rear door next to the church

*Tickets (prepaid) will be available at the door and will be eligible for door prizes. Depending on the numbers, there MAY be a limited number of extra tickets available. Seating is not a problem, but we would hate to run out of food!

*There will be an M.C. (Hew Maver), a piper and dancers from Sundance to entertain us and lead us in dances. Song sheets will be available and, if anyone volunteers to play an electric piano, that can be also be made available.

*We will be having a raffle for donated prizes, including a non-denominational (i.e. not specifically Clan MacLennan) needlepoint brick by Elizabeth. There will also be a sales table for Clan items such as shirts, mugs, crests, etc.

*In order to keep costs down, punch, tea and coffee will be available. No smoking or alcohol on the premises, please.

As you can see, we have made a big effort to make this an occasion that all can enjoy. Dave and I will be wearing our kilts and anyone else that has one (and if it still fits) should also don their finery. This is not a formal do, however, so just be comfortable.

An abbreviated summary of our current finances is included. We are buying a Canada Saving's Bond (\$500) for the "2000" fund as they are now on sale. Our donation to the Ice Storm Fund has also increased to \$250, this is from member donations.

This summer the COB was represented at the Games at Ancaster, Georgetown, Cambridge, Maxville, Fergus, Almonte and Sarnia. We had lots of callers at the tent, both members and interested non-members. There were 22 of us at the

dinner at Fergus. Bob (Hamilton) finally won his own brick in the raffle, while we won "Uncle Angus" and Ruth Anne won "Morag"; the knitted dolls made by Maybell.

Once again, we hope to see you on the 28th Nov. at about 5.30 p.m. for a happy evening. If not, have a Merry Christmas and a Guid New Year
